Feb 4, 2002 7:50 p.m. Jerusalem Police Station Investigator 100835-8 SSM Yitzhak Date Time Location Badge No. Rank First name Last name

I saw the above named individual before me and I said to him: I, Police Officer Yitzhak Yakobov, Badge No. 100835-8, hereby inform you that you are suspected of activities against the security of the region. You are not obliged to say anything unless you wish to do so but anything that you do say shall be written down by me and may be used as proof against you [Arabic text] [Signature] Yitzhak Yakobov. After I read out the content of the above out loud and translated it for the above named individual he told me the following: ---Q. Have you understood that of which you are suspected? ---

A. Yes, I have understood. ---

In my previous testimony to the police, I told you that Fawzi sent me to Taibeh in order to bring something. I want to tell you that I knew that I was going to Taibeh in order to bring a an Uzi rifle [sic] to Fawzi but when I reached Taibeh and met the person in Taibeh whom I mentioned in the previous testimony, I pretended that I did not know what it was all about and later on I contacted Fawzi Murar and I said to him that I do not want any trouble and that I am afraid to take the rifle. I then returned to Ramallah without the weapon. In my previous statement to the police I only related that Fawzi came to my home early in the morning and told me that he wanted me to take him and his friends to Beit Hanina to carry out a shooting attack and that Fawzi told me that ultimately he did not go with them and they were caught in Beit Hanina. I want to add that Fawzi told me that he did not go with them because his leg [Translator's note: could be foot; unclear] was injured. Also, Fawzi told me that one of the young men that went to carry out the attack, Salah Sarsur, who is about 25 years old and a resident of Ramallah, ran away. Another young man by the name of Salah was caught and there is another young man, Abed, who is still hiding in Beit Hanina. Subsequently, Fawzi asked me for my cell phone and spoke to Abed, who was hiding in Beit Hanina. Fawzi spoke to Abed and asked him where to send the driver and Abed replied to Fawzi that he would call him later on. Fawzi told me that he understood from Abed that he, Abed, was hiding water tank [sic]. Also Fawzi Murar told me that had the three young men carried out the shooting attack, each of them would have received 5000 dollars from Marwan Barghouti. Fawzi asked me to go and bring Abed from Beit Hanina but I refused. I left for work in my van and then Fawzi contacted me and asked me
